NER SHALOM CEMETERY AT PLEASANT HILLS

Congregation Ner Shalom maintains a cemetery at beautiful Pleasant Hills Memorial Park in Sebastopol. Interment is available to the Jewish community-at-large: both NS members and nonmembers, and their Jewish or non-Jewish spouses and family members. Sites are available for both full-body and cremated remains.

The area for Ner Shalom burials is in the natural burial section of the cemetery. No concrete liners, metal, synthetics, or chemicals are allowed. Graves can be dug by hand. Landscaping will be developed using native California plants.

The following prices are for burial sites only. Interment costs (opening/closing), funeral expenses and endowment care costs are additional. Purchase of burial sites also entails a fee to the Ner Shalom Cemetery Fund, supporting Ner Shalom's administration of the cemetery and subsidizing burial for community members in need.

For pre-need information, arrangements, and flexible and creative monthly payment options, contact Andy Martinez at (707) 559-8459, or email andy.sfc@gmail.com. Pricing for burial sites follows:
